## Independent statutory auditor's report on the review of the interim condensed separate financial statements

To the Shareholders and the Supervisory Board of Dom Development S.A.

### Introduction

We have reviewed the accompanying interim condensed separate balance sheet of Dom Development S.A. (hereinafter called the "Company") as at 30 June 2025 and the related interim condensed separate statement of profit or loss, interim condensed separate statement of comprehensive income, interim condensed separate statement of changes in equity and interim condensed separate statement of cash flows for the six-month period then ended, and the related explanatory notes (the "interim condensed separate financial statements").

Management of the "Company" is responsible for the preparation and presentation of these interim condensed separate financial statements in accordance with the International Accounting Standard 34 Interim Financial Reporting as adopted by the European Union. Our responsibility is to express a conclusion on these interim condensed separate financial statements based on our review.

### Scope of review

We conducted our review in accordance with the National Standard on Review Engagements 2410 in the wording of the International Standard on Review Engagements 2410 Review of Interim Financial Information Performed by the Independent Auditor of the Entity as adopted by the resolution of the National Council of Certified Auditors. A review of interim condensed separate financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures.

A review is substantially less in scope than an audit conducted in accordance with National Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
